

The Private Eye® Project

The Private Eye is a K-20 hands-on educational learning process, curriculum, and teacher training program. It develops critical thinking skills, creativity, literacy and scientific literacy across subjects.

PARENTAL CONSENT TO PUBLISH STUDENT WORK and/or PHOTOGRAPH (Graphics and Text)

I grant permission for my child's artwork, writing, and photo to appear in publications either by or about The Private Eye Project, and on The Private Eye website. I understand the work or photo may be credited with a first name, last initial, grade level and school.
